

## Register of Rejection of Requests

**RTI-11**

## National Aquatic Resources Research and Development Agency (NARA)

**Right to Information Act No. 12 of 2016**

This register is maintained to track all rejected information requests under the RTI Act.

[illegible]

### Common Rejection Reasons:

- Exempted information (Section 5)
- Information already published
- Information not in possession
- Vexatious or frivolous request
- Request requires disproportionate resources

### Sections Commonly Cited:

- Section 5: Exemptions
- Section 8: Cabinet and ministerial information
- Section 9: Documents affecting relations with foreign governments

**Instructions:**

- Record all rejected requests
- Provide detailed reasons for each rejection
- Cite specific sections of the Act
- Track all appeals filed against rejections

- Update appeal outcomes promptly
